Guidelines

- Set your own goal, then *read or listen to any books that interest you* and are appropriate for your reading level — items from the library or your own books.
- Place a sticker on a number each time you read toward your goal. If your goal is to read for 25 days, you should read for at least 30 minutes per day.
- For each five (books, days or hours) you complete, you'll win a prize.
- When you finish your 25, you'll receive a completion prize.
- **The first day to pick up prizes is June 9. Build a Better World ends August 20; no prizes will be handed out after August 20.**
- **KIDS & TEENS:** Return your reading card to the 2ND floor.
- **ADULTS:** Return your reading card to the 3RD floor.
- **BURNS, PINE BLUFFS AND ON THE BOOKMOBILE:** Return your card at the desk.
Prizes are available while supplies last.

Read for a Cause

Finished your reading goal? Keep reading! For each extra card you finish, a donation will be made by **Moore Insulation** to **Habitat for Humanity of Laramie County** so they can build new homes for low-income families!
