**In this season of giving, you have many choices –  
but what could be better than giving a child the gift of reading?**

You can do that right now with the Laramie County Library!

We need your help to make the Library's 2018 Summer Reading Celebration a success –

The annual **Summer Reading Celebration** gives children the joy of reading and helps them maintain and improve their reading skills. Children who don't read in the summer return to school at a lower reading level than they had attained the previous spring. Summer reading prevents this loss and particularly helps at risk children become successful readers. Last year children, adults and families in Cheyenne, and from throughout Laramie County participated in this wonderful summer long program.

Unfortunately, tax dollars alone cannot fully fund the Summer Reading Celebration. The Library Foundation needs to raise \$35,000 to help the Library buy the children's prize books and provide the special educational programming that leads to summer reading success.

**We need your help because over 8,000 participants are expected for Summer Reading 2018!**

**\$100 will provide much needed supplies!**

**\$250 will help fund special program educators and presenters!**

**\$500 will buy 250 prize books that encourage children to achieve their reading goal!**

**Your gift assures that the Summer Reading Celebration will grow and remain a vital resource for everyone!**

As you can see, **YOUR support is crucial** and totally tax-deductible. A contribution card is enclosed for your convenience.

Give the gift of reading? Your gift will do just that while investing in a child's future! Thank you in advance for your support.

Sincerely yours,

Annie Hatch  
President, LCLF

Bruce Thomson  
Director, LCLF

P.S. Remember, your gift is an investment in a child's future - **Please send your gift today!**
