

Sing with me!

Use the colored cards provided and teach your child how to **sing** and play “Mary Had a Little Lamb”. Encourage your child to play the colored notes on the xylophone and sign along with the song to emphasize the syllables in the words. **Sing** the alphabet song and have your child point to the letters around the room as they **sing** them. These activities help your child slow down and learn about language and prepare them for reading.

This **Learning Spot** features the **SING** Early Literacy Practice.

Rhyme Time!

Here are some Nursery Rhymes and fun songs to share with your child. If you need help just ask for assistance in finding some great books full of these rhyme time classics!

This Old Man Jack and Jill

Humpty Dumpty

Hey Diddle Diddle

Mary Had a Little Lamb

I’m a Little Teapot

Twinkle Twinkle
