WELCOME

to Volunteering

“At the end of the day, it's not about what you have, or even what you've accomplished...

It's about who you've lifted up, who you've made better. It's about what you've given back.”

-Denzel Washington

Welcome!

The team at Laramie County Library System is so pleased that you are willing to invest your time and hard work into helping your library be its best. I personally want to thank you for the support your work gives to staff and how critical it is to providing excellent service to the public.

Whether you are new to volunteering, such as some of our 12-year-old volunteers, or are a seasoned veteran, we want to ensure you have appropriate training, engaging work, positive social interactions with staff and other volunteers, and are valued for your contributions.

Communication will be key to ensuring we are meeting your needs, so please make sure you bring any concerns you may have to the person supervising your tasks, the Volunteer Coordinator, or to me.

Thank you again for your contribution to the success of the Laramie County Library System. Together we can engage in meaningful work that betters our community!

Carey D. Hartmann
Executive Director/County Librarian
