Gypsy Swing Revue Continues Happy Hour Music Series at Laramie County Library

On April 19th at 5:30 p.m. in the Cottonwood Room, Laramie County Library will continue its Happy Hour music series with a performance by the Gypsy Swing Revue. The band plays gypsy jazz music, a combination of violin, guitar, upright bass, and vocals that makes for an energetic sound that everyone can enjoy. The two hour show will have beer for purchase with a valid ID.

The Gypsy Swing Revue is Denver's premier Gypsy Jazz band and their "hot club" style has garnered praise from publications such as the *Denver Post* and *Fox News*. Local music venues and radio stations have applauded the band for their distinct sound, and the top Jazz club in Denver, Dazzle Jazz, calls the group, "the absolutely best Django/gypsy jazz/ hot club band in Colorado."

The Gypsy Swing Revue is the second in a three part music series at Laramie County Library. Join us on April 19th to enjoy some music and beers alongside our books.
