FOR IMMEDIATE RELEASE

November 3, 2020

Laramie County Library System to Close Until 10am on Wednesday, November 4 Due to Positive COVID-19 Test

Laramie County Library System will be closed until 10am on Wednesday, November 4 due to an employee testing positive for COVID-19. The library's safety restrictions ensure that no member of the public has been in the building without a mask, nor have they been within six feet of the employee for more than fifteen minutes.

The Laramie County Library Board of Directors and County Librarian will continue to closely monitor the situation and work in tandem with the Cheyenne-Laramie County Health Department to keep library employees and the public safe. The building will be professionally cleaned and disinfected during the closure, allowing the library to safely reopen on Wednesday, November 4.
