

## **Pet Pop-up Card Printable**

### **Instructions**

---

1. Glue the tail-side to the back of the card and secure the feet to the bottom of the card.
2. Glue the folded white section on one side of the rectangle. Attach to the the back side of the card overlapping with the back legs.
3. Glue the front legs to the other side of the rectangle and attach the front feet to the bottom of the card.
4. Glue on the head, and your puppy or kitten card is complete!
