

# Bubble Solution

## Instructions:

1. Gather all your materials.
2. Pour 4 cups of warm water into a bowl.
3. Add in 1/2 cup of sugar and mix until the sugar is dissolved.
4. Pour the 1/2 cup of dish soap into the sugar water mixture. Stir as you are adding in the soap. Keep stirring until completely combined.
5. That's it! Now you have your own homemade bubble solution. You can use the bubble solution now, or if you would like to get even better bubbles you can let it sit for a couple of hours or even overnight.
6. Enjoy!

## Materials:

- 1/2 cup dish soap
- 1/2 cup sugar
- 4 cups warm water\*
- Bowl\*

\*Not provided by the library, use what you have at home.

**Tip:** All of your ingredients have already been measured for you.
