

Quick Guide to Reading Challenges with Laramie County Library System

Registering a Beanstack Account on Desktop:

1. Navigate to <https://lclsonline.beanstack.org/>
2. Click "Register an Individual or Family."
3. The next screen will ask "Have you previously used Beanstack to participate in a reading challenge?"
 - a. If you have never participated in a Beanstack challenge, please click "no."
 - b. If you have previously participated but cannot remember your password, please return to <https://lclsonline.beanstack.org/> and click "Sign In." You can reset your password from there.
 - c. If you do not remember your email or your password, please contact the library at 307-634-3561 for assistance.
4. If you are registering a new account, the next screen will ask "Who would you like to register." Please click the option that applies to you. Note: Even if you click "I am registering myself" you will still be given the opportunity to add readers (adults and children) to your account.
5. Fill in the required information on the form.
6. Select which challenge you or your family member would like to participate in.
7. Continue adding members to your group, providing the required information, and signing them up for challenges.
8. When finished adding group members, you will be brought to the homepage of your Beanstack account. From there, you can log reading, complete activities, and make progress in your challenges!
