GOAL 2: Improve the usability of collections and spaces.
GOAL 3: Reallocate resources to meet the evolving needs of the community.
B. INCREASE ENGAGEMENT WITH, AND SERVICES TO, ADULTS OUTSIDE THE LIBRARY TO BUILD COMMUNITY
Expanding library service outside our walls and into your public lives will occur more regularly in the coming two years. We will evaluate the outreach services we have been providing for many years. We want to spend our time and talent wisely to assist you in lifelong learning and adventure where you work, play and interact.
GOAL 1: Evaluate and redesign outreach services to meet the needs of the community.
GOAL 2: Identify and use employees with skill sets and interests for new outreach programs.
C. LEVERAGE OUR REPUTATION AS A SAFE, TRUSTED AND EQUITABLE INSTITUTION TO POSITION THE LIBRARY AS A COMMUNITY HUB
You can expect more creative use of our spaces at all library facilities, and pop-up programs that address current events locally, regionally, nationally and internationally. We will enhance our popular programming for adults and make them more relevant and exciting. Your experiences matter to us.
GOAL 1: Create a casual convergence space within the Cheyenne library for adults.
GOAL 2: Develop framework for immediate response to local, regional and national issues that affect our community.
GOAL 3: Identify and establish connections outside the library to draw people into the library as a community hub.
GOAL 4: Develop consistency and quality standards for all adult programs.
D. PROVIDE A HIGH-QUALITY WORK ENVIRONMENT THAT ENCOURAGES EMPLOYEES TO GROW PERSONALLY AND PROFESSIONALLY
We want to keep the incredible employees who serve you and attract the best and brightest to join our team. Internally we will work with employees to enhance their work life, ensure they know they are valued, and provide tools to help them reach their full potential.
GOAL 1: Develop an affordable employee recognition system.
GOAL 2: Develop an employee succession/mentoring program.
GOAL 3: Research and investigate flexible work environment options.
E. CONTINUE TO GROW AND PROVIDE HIGH-QUALITY SERVICES RELATED TO EARLY CHILDHOOD LITERACY AND YOUTH ENGAGEMENT
Laramie County Library System has an award-winning early literacy program, and we want to reach more children, especially those who aren’t starting school ready to learn. We will move deeper into the community with partnerships so we can make a true difference for the future of our community.
GOAL 1: Assist the Laramie County Library Foundation in their fundraising efforts for the early literacy campaign called First Steps.
GOAL 2: Complete planning for proposed services, products, and interactive materials that will constitute the First Steps initiative’s initial steps.
GOAL 3: Implement First Steps initiative.
GOAL 4: Develop and implement a volunteer program.

The Laramie County Library System Board of Directors, administration, management and employees have completed strategic planning for Fiscal Year (FY) 2018 and 2019.
