

Science Fiction

This curated list was developed by Laramie County Library System reading experts who are passionate about helping you discover great library materials! Titles by these authors should be discoverable in the [library's catalog](#). Titles by these authors that are not owned by Laramie County Library System may be requested through interlibrary loan (ILL). Requests may be placed at any Ask Here desk or through the catalog. Please note there is a \$2.00 fee for each ILL request. E-books, downloadable audiobooks, magazines and comics are available through the [Libby app by OverDrive](#).

Science fiction can be set in the future, in outer space, or in some alternative reality. The stories focus on scientific and technological developments and their impact on the characters and their world.
