Americans and the Holocaust

July 19–August 28

Library Hours

Laramie County Library is one of 50 U.S. libraries selected to host *Americans and the Holocaust*, a traveling exhibition from the U.S. Holocaust Memorial Museum that examines the motives, pressures and fears that shaped Americans' responses to Nazism, war and genocide in Europe during the 1930s and 1940s. Based on extensive new research of that period, *Americans and the Holocaust* addresses important themes in American history, exploring the many factors — including the Great Depression, isolationism, xenophobia, racism and antisemitism — that influenced decisions made by the U.S. government, the news media, organizations and individuals as they responded to Nazism. This exhibition will challenge the commonly held assumptions that Americans knew little and did nothing about the Nazi persecution and murder of Jews as the Holocaust unfolded. Drawing on a remarkable collection of primary sources from the 1930s and '40s, the exhibition focuses on the stories of individuals and groups of Americans who took action in response to Nazism. It will challenge visitors to consider the responsibilities and obstacles faced by individuals — from Franklin Delano Roosevelt to ordinary Americans — who made difficult choices, sought to effect change, and, in a few cases, took significant risks to help victims of Nazism even as rescue never became a government priority. (Teens & Adults; All Floors)

Americans and the Holocaust: A Traveling Exhibition for Libraries is an educational initiative of the United States Holocaust Memorial Museum and the American Library Association. *Americans and the Holocaust* exhibit was made possible by the generous support of lead sponsors Jeannie & Jonathan Lavine. Additional major funding was provided by the Bildners — Joan & Allen z"l, Elisa Spungen & Rob, Nancy & Jim; and Jane and Daniel Och. The Museum's exhibitions are also supported by the Lester Robbins and Sheila Johnson Robbins Traveling and Special Exhibitions Fund, established in 1990.

Righting a Wrong: Japanese Americans and World War II

July 19–August 28

Library Hours

Righting a Wrong: Japanese Americans and World War II Smithsonian poster exhibition traces the story of Japanese national and Japanese American incarceration during World War II and the people who survived it. This poster exhibition brings forth themes of identity, immigration, prejudice, civil rights, courage, and what it means to be an American. This poster exhibit will be displayed in both Cheyenne and Pine Bluffs and is part of the library's programming for *Americans and the Holocaust*, a traveling exhibition for libraries on display in Cheyenne. (Teens & Adults; Cheyenne and Pine Bluffs Branch Library)
