Library Hours

This year, University of Wyoming professor and coffee entrepreneur Kayla Clark welcomes makers ranging from book artists to letterpress printers to writers to graphic designers in assembling works for the annual Laramie County Library System Book Arts Exhibition. These artists from Wyoming and beyond showcase books in traditional and experimental formats, as well as typographically-driven works that explore the concept of harmony and tension while considering how both are, perhaps, necessary to achieve balance.

It doesn't take Stanley long to realize they aren't just building character; they are digging holes because the warden is looking for something.
