Making art is an adventure, full of twists and turns. For this year's annual LCLS Book Arts Show, University of Wyoming professor and coffee entrepreneur Kayla Clark welcomes artist-adventurers ranging from book artists to letterpress printers to writers to graphic designers. These artists from Wyoming and beyond showcase books in traditional and experimental formats, as well as typographically-driven works that highlight the artists journey. Kayla Clark and LCLS are particularly excited to welcome The Rule of St. Benedict a 36 foot-long printed scroll by Mary Bruno that is making a special journey to be with us from St. Joseph, Minnesota. (All Ages; All Floors)
