Lunch Bunch Book Club

Saturday, July 20

12–1pm

Join us for an exciting discussion of *The Monuments Men* by Robert M. Edsel as we enjoy a potluck lunch. Quick summary: At the same time Adolf Hitler was attempting to take over the western world, his armies were methodically seeking and hoarding the finest art treasures in Europe. The Fuehrer had begun cataloguing the art he planned to collect as well as the art he would destroy: "degenerate" works he despised. In a race against time, behind enemy lines, often unarmed, a special force of American and British museum directors, curators, art historians, and others, called the Monuments Men, risked their lives scouring Europe to prevent the destruction of thousands of years of culture. Focusing on the eleven-month period between D-Day and V-E Day, this fascinating account follows six Monuments Men and their impossible mission to save the world's great art from the Nazis. For more information, please call the Pine Bluffs Branch Library at 307-245-3646 or visit with staff.
